Introducing the epitome of luxury and performance on the water - the 2020 Galeon 500 Fly. With its sleek design and unparalleled features, this yacht sets a new standard for elegance and functionality. Powered by twin 670hp Volvo Penta D11 engines with approximately 550 hours of use, the Galeon 500 Fly promises a smooth and exhilarating cruising experience.

Stepping aboard, you'll be greeted by a pristine white interior color scheme, complemented by a striking silver and white exterior color scheme that exudes sophistication from every angle. The attention to detail is evident throughout, from the master head mosaic shower wall to the meticulously crafted furnishings and finishes.

Equipped with a comprehensive Raymarine electronics package, including AIS VHF with a transmitting module and autopilot, navigating the open waters has never been easier. Plus, with features like an aft-facing camera and engine room camera, you'll have peace of mind knowing that your vessel is always under careful surveillance.

Entertainment is taken to new heights with a 40" electric sliding LED TV in the salon and a 32" LED TV in the master cabin, ensuring that every moment on board is filled with comfort and enjoyment. And with a washer/dryer combo in the master cabin, you can keep your wardrobe fresh and ready for any occasion.

But the amenities don't stop there. The Galeon 500 Fly boasts an electric grill on the flybridge, an ice maker, and a captain's fridge drawer, perfect for entertaining guests and indulging in gourmet delights while soaking in the breathtaking views. And with a Seakeeper 6 gyro stabilizer, hydraulic tender garage hatch, and hydraulic swim platform, convenience and versatility are at your fingertips.

For those seeking adventure beneath the waves, six blue underwater lights illuminate the depths with a mesmerizing glow, while bow and stern thrusters and beach mode fold-down sides ensure effortless maneuverability and access to

secluded coves and pristine beaches.

Experience the ultimate blend of luxury and performance with the 2020 Galeon 500 Fly - where every journey is a celebration of style, comfort, and adventure on the water.
