Outside aft joystick

This 2017 Marquis 500 SY exemplifies luxury and sophistication on the water, boasting a suite of premium features and upgrades that elevate the yachting experience. Equipped with cutting-edge technology and meticulously crafted amenities, this vessel is designed for discerning enthusiasts seeking unparalleled comfort and performance.

At the helm, the upgraded Raymarine a68 series Axiom Pro 12 navigation system ensures precise navigation and situational awareness, complemented by the Volvo Penta IPS600 propulsion system and Volvo's innovative "sky hook" DPS for effortless maneuverability and control.

For extended voyages, a Kohler Generator provides reliable power, while the ElectroSea ClearLine system, valued at \$10,000, enhances water quality and onboard comfort. The addition of an upgraded Flir M-324CS night vision system offers enhanced visibility and security during nocturnal excursions.

Entertainment and relaxation are paramount aboard the Marquis 500 SY. Enjoy granite countertops in the galley, complemented by Satellite TV for multimedia entertainment. The exterior features AirWave® Pedestal seats at the upper helm for ergonomic comfort and support.

Noteworthy additions include a \$45,000 Custom Ribjet 10 Sport inflatable, complete with davits, cover, and a trailer, expanding recreational possibilities both on and off the vessel. Additionally, an upgraded \$27,000 table and pedestals enhance the dining and social areas, combining elegance with functionality.

With meticulous attention to detail and premium craftsmanship throughout, this Marquis 500 SY represents a unique opportunity to acquire a sophisticated yacht that's ready to explore the seas in style. Whether cruising coastal waters or venturing into open seas, this yacht promises an unforgettable experience defined by luxury, innovation, and uncompromising quality.
