Powered by quad Yamaha 450s with Helm Master® EX and equipped with Seakeeper® 5, the 41 is designed to meet all your offshore needs. The new Offshore Command Center features a Garmin® Multi-Function Display with Digital Switching and Monitoring, along with the proprietary Regulator MyHelm™ interface that seamlessly connects key functions into one intuitive application. With the wireless key fob, you can trigger lighting, batteries, and more with a simple touch as you approach or disembark.

Serious anglers will appreciate the Taco® Grand Slam 500 outrigger bases with 20' HD Carbon Fiber telescoping poles and the expansive livewell and fishbox capacity. The aft mezzanine seat with prep & tackle center and overhead SureShade® provide comfortable cockpit seating without compromising fishing amenities. Easy tower access enhances the appeal of the dual helm.

Below deck, the newly-redesigned cabin features Chilewich interiors, a galley kitchen, double berth, and a spacious head with a shower, allowing you to accommodate friends and family with ease.
