Introducing the 2018 Regulator 41' - A Masterpiece of Yacht Engineering

Prepare to be captivated by the sheer beauty and exceptional performance of this 2018 Regulator 41'. With an impeccable blend of power and luxury, this vessel represents the pinnacle of maritime craftsmanship. Boasting a remarkable set of features and meticulously maintained, it's a yacht that's ready to make your nautical dreams a reality.

Quad Yamaha F350 4-Stroke Engines: The heart of this majestic vessel is powered by four Yamaha F350 4-Stroke Engines, all equipped with Digital Electronic Controls and Yamaha Helm Master featuring Set Point. These high-performance engines deliver a total of 1400 horsepower, ensuring smooth and precise control, with only 360 hours of operation, demonstrating the care and precision with which this yacht has been maintained.

Custom Painted Engines: Not only is the performance extraordinary, but the aesthetics are equally impressive. The engines have been custom painted to match the yacht's sleek and distinctive appearance, reflecting the attention to detail that sets this Regulator 41' apart.

Dual Station Tower: Enhancing your command over the seas, this yacht features a Dual Station Tower with full controls and a hardtop. With this bird's eye view, you'll be able to navigate through even the most challenging waters with confidence and ease.

T-Top Underside Matching Hull Sides: Every inch of this vessel is a testament to its elegance and coherence. The T-Top's underside matches the hull sides, creating a harmonious and visually striking impression that will turn heads wherever you sail.

Taco Grand Slam 380 Outrigger Bases: A fishing enthusiast's dream come true, this yacht is equipped with Taco Grand Slam 380 Outrigger Bases, accompanied by 20' Carbon Fiber Telescoping Poles. These top-tier outriggers ensure your fishing adventures are nothing short of spectacular.

Dove Gray Upholstery: Stylish and practical, the dove gray upholstery throughout the vessel adds a touch of sophistication to every corner of the yacht, making relaxation at sea an exquisite experience.

Cockpit Freshwater Engine Flush: For your convenience, a cockpit freshwater engine flush system has been installed, ensuring the longevity of your investment.

Edson Elite Carbon Wheel: The Edson Elite Carbon Wheel with a power knob ensures precise and effortless steering both at the helm and atop the tower, enhancing your control and comfort.

Multi-Colored Underwater LED Lights: After the sun sets, the underwater world comes to life with the addition of two multi-colored LED lights. These underwater lights create an enchanting ambiance that's perfect for evening cruises and fishing excursions.

Refrigerated Transom Fishbox: The fishing amenities continue with a refrigerated transom fishbox, providing the perfect storage for your prized catches.

Remote-Controlled ACR RCL-100 LED Spotlight: For added safety and convenience, this Regulator 41' is equipped with a remote-controlled ACR RCL-100 LED Spotlight, ensuring you have clear visibility in all conditions.

Factory Installed Garmin Offshore 41 Package: Navigating the seas is made simple with the factory-installed Garmin Offshore 41 Package. This includes triple 17" GPSMAP 8617 Multi-touch Widescreen Chartplotter/Sonar Displays, a VHF 210 Radio with an 8' Digital VHF Antenna, GMR 624 xHD2 6kW Open-Array Radar, Airmar B275LHW, 1 kW CHIRP Transducer, and Autopilot with a black flushmount face and microphone.

Generator: This vessel is equipped with a generator that has only 150 hours of operation, ensuring you have a reliable power source for extended journeys.

All Soft Goods and Motors Covered: Your investment is protected, with all soft goods and motors meticulously covered and maintained, ensuring they remain in pristine condition.

Night Vision: For those adventurous night cruises or nocturnal fishing expeditions, night vision equipment is included, adding an extra layer of safety and excitement to your voyages.

The 2018 Regulator 41' is more than just a yacht; it's an embodiment of excellence, a statement of luxury, and a vessel ready to take you on unforgettable journeys. Don't miss the opportunity to own this masterpiece of the sea, meticulously cared for and equipped with everything you need for a superior yachting experience.
