Broker's Comments

I love this boat mostly for the extremely well thought out arrangement. I wouldn't own a motor yacht without a cockpit and flybridge / command bridge. It's hard to find one with both of these key features, with a spacious interior, plus economical operation in a size that's easy for a couple to manage. JoyRide handily delivers the goods, with much more. The awlgrip finish make for an easy-care exterior. The interior is very comfortable for living and cruising aboard, with a spacious galley / dinette and a forward stateroom with a walk-around center-line queen berth. The biminis cover the flybridge and cockpit to cut afternoon shade. Truly a gem in this size and price range.
