Mercury
300 Verado
Outboard
300HP
223.71KW
Fuel: Gas/Petrol
Hours: 400
Year: 2021
Serial #: 2B786568
Location: Starboard

Summary/Description

For Sale

2021 34 Caymas 341 CC "Yo-Eleven". In my professional opinion, the Caymas 341 CC is an extreme value built on the patented Michael Peter Yachts Design Stepped-Vee Ventilated Tunnel (SVVT) combined with the yacht finish Caymas incorporates in every boat built. This revolutionary drag-reducing hull increases speed, enhances fuel economy, and delivers a remarkably soft dry ride in heavy seas. Designed for the serious Saltwater tournament anglers the 341 still has something to offer the whole family with all the creature comforts onboard. The forward-facing lounge combined with both port and starboard fold down forward seating is ideal for the evening dolphin cruise. The Caymas 341 offers 360-degree seating for the most extensive family. For the hardcore angler, Caymas offers custom 70-gallon transom live well featuring the Hooker Electric pumps combined with sea chest system. Oversized fish boxes both fore and aft. Lockable rod storage provides security for expensive tackle. The innovative hardtop features a pass-through hatch, allowing easy access to the hardtop. The elevated helm station allows the captain maximum visibility while underway for safe operating conditions. The roomy 10-foot beam provides an interior volume unmatched in a center console of her class. Amenities include a porcelain head with Corian sink and forward chaise lounge seating with armrests integrated into the console creating a relaxing social seat while cruising or enjoying a perfect sunset. Our brokerage strives to consistently exceed our clients' expectations one boat at a time. **Owner has his next boat delivering Summer 2024, MOTIVATED SELLER BRING ALL OFFERS**
