Broker's Remarks

Rob Young, founder of Young Boats has always had a passion for the water and fishing. Following his master's degree in Ocean Engineering and Naval Architecture Rob embarked on a passion to build attractive custom fishing boats that would appeal to the serious or professional angler who has an "eye" for quality and fishability. Rob's passion for boat building combined with the owner's love of saltwater fishing sure shines aboard this custom sky blue Young 27 with Half tower.
