Engine 1

Yamaha
F-150
Outboard
150HP
111.86KW
Fuel: Gas/Petrol
Hours: 500
Hours Date: 01-02-2024
Year: 2020
Serial #: 63P X 1224748
Location: Starboard

Summary/Description

This Cobia 201 has everything for fishing, island hopping or just enjoying a sunset. From waters 18" to off shore in 150', this sweetheart of a vessel has you covered. Live well raw and fresh water, console with a head plus tons of room and a great sound system. Powered by a Yamaha FX-150.

Newly listed is this incredible 2020 Cobia 201 CC powered by a Yamaha F-150 with 500 hours and an aluminum Continental tandem axle trailer with brakes. This boat is maintained regularly and is known to catch fish quite often. This boat has an 8' Power Pole, Helm seat with storage, center console cabin with head and room to stand up in, live well, insulated fish locker, lots of storage cooler, custom powder coated T-top, full electronics package including Garmin 10' Echomap plotter/sonar and integrated 2 way radio with distress, stainless rails, rod and cup holders, hydraulic steering with tilt, Yamaha digital display, transom live Well, fresh and saltwater wash downs, under gunnel rod holders and much more.

The insulated fishbox has a whopping 50-gallon capacity. The livewell holds 26 gallons. Four stainless-steel gunwale holders come standard, and even though this boat is a mere 20'1" long, the top is designed to take optional outriggers. The 201CC, has tall gunwales and deep cockpit do give the boat a high profile, which gives great stability and keeps the first mate dry on those less than calm days. And secondly, this boat will easily slide through water that is 18" deep with the motor down.

Performance-wise, the Yamaha F150 four-stroke cruises at about 30 mph (while turning 4500 rpm). And fuel burn at that speed is a mere 7.5 gph. Full throttle gets two people to about 40 mph, while burning up to about 15.5 gph.

This Cobia 201CC is a very, very big 20-footer. Easy to trailer, launch and tuck in next to the house. Now it's your turn to have some fun!
