It was a formula for success right from the start. Fashion some styling cues from our award-winning SSi sportboats, mix in some storage features from our new generation Signature Cruisers and wrap it all in the family-minded Sunesta lifestyle that has become boating's most popular craze. No wonder the 254 is a best seller year after year. Chase sunsets in a boat that easily handles big block cubic inches yet delivers exceptional fuel economy. Inside, because the floorboards are above the waterline in our self-bailing cockpit, any water that collects is routed directly overboard.
