Manufacturer Provided Description

The innovative and efficient Leopard 39 Powercat takes the best features from the popular Leopard 47 Powercat to bring you an exciting midsize catamaran with many of the features of a much larger yacht.

ECONOMICAL

With a vision of creating an economical power catamaran with global cruising capabilities, the team of award winning designers at Robertson and Caine not only drew upon the success of previous models, but also learned from feedback of our global owners and cruisers.

FEATURES

Features on the Leopard 39 Powercat include a spacious raised flybridge with helm station and hard top, three cabin interior layout, full galley and saloon, plus an open cockpit.

SUCCESSFUL

With a history of building off of successful designs and adapting functionality based on consumer feedback, Leopard Catamarans will continue to be the benchmark of excellence for the next generations of powercats.
