Fuel: Diesel
Year: 1983

Summary/Description

An extremely clean and well-equipped example of the C&C 37 that has become such a popular cruiser-racer.

Elusive is a fast, sturdy cruiser/racer built by a highly respected builder. Lots of boats have come along since this boat was built, but few are as well engineered or as durable as this C&C. The C&C 37 is a big, moderate displacement yacht with good sailing characteristics, a very comfortable interior and ample load carrying capacity. Her spacious, T-shaped cockpit is well laid out for both sail handling and relaxation at anchor or dock. High, carefully slanted coamings provide excellent seating. Wide, unobstructed side decks and a long, uncluttered foredeck add to the crew's comfort and safety. Her fin keel provides excellent performance on all points of sail. She is stable and powerful, yet easy to handle. All control lines haven been led aft. Always well maintained at a prominent boat yard in Gloucester, MA..

Acommadations

- Full teak and teak trim interior,
- Large V-berth forward with filler and hanging locker/shelf combination
- Head next aft with shower, to port
- Main cabin has convertible double to port, large centerline folding table with single berth to stbd.
