Summary/Description

2023 Chaser 54 Laguna

The Chaser 54 Laguna is a multi-purpose, high performance luxury powerboat designed and built with uncompromising dedication to safety, smart innovation and technology for worry-free operation, superbly responsive handling, low-maintenance, and head-turning style! The versatile 54 Laguna offers built-in systems, features, and amenities for a wide range of activities from watersports, to island hops, sunset cocktails, entertaining, fishing, coastal cruises and much more. Or just relax with family and friends, enjoying a sun & sea lifestyle with plenty of seating arrangements and supremely comfortable accommodations. Built on a 25-year legacy of Dutch yacht building excellence and Lloyds Standards, the Chaser 54 Laguna delivers high-end luxury and great seakeeping capability, whether used as a dayboat or chase boat for superyachts.

Some of the Chaser 54 Laguna's features include tender garage, Zipwake trim-tabs, drawer-style and door-front refrigerators, ice maker, shore power inlets, Victron inverters, Quick round water heater, WiFi, Joystick piloting, 16,000BTU tropical A/C-heating unit, helm dash A/C vents, water spigots, wireless anchor winch remote, two staterooms, one head with separate shower, fold-out balcony, lithium battery pack for 8-hour off-grid use of A/C, electronics, etc., and more.
