Stored indoors in a climate-controlled facility, this 2023 Fountain 38SC is the cleanest example on the market today.

Equipped with 3 proven Mercury 400R Outboards, she is ready for fast and reliable poker runs immediately. 80MPH TOP SPEED!

With the launch of the incredible new 38SC, the next-generation of Fountain High Performance V-Bottoms is speeding on the scene. High performance boat buyers can now enjoy the roominess of a center console, the dependability of outboards and the top-end performance that has made Fountain the fastest name in boating for more than 40 years. The 38SC certainly must be considered the fastest stock center console under 40-feet on the water today. Bold graphics inside and out scream "speed." Premium Cool Touch upholstery with color coordinated thread showcases Fountain's incredible attention to detail for modern go-fast boats with the utmost quality and attention to detail.
