Engines/Generators

Summary/Description

The S 378 is one of the most popular members of Pursuit's award-winning Sport family and features advanced innovations as well as the quality, fishability, and versatility that you've come to expect.

Enjoy a full day of fishing from the ample cockpit until it's time to socialize. Then, experience our groundbreaking feature, the patented entertainment center that moves into place at the touch of a button, providing uncompromised functionality.

Take a seat at the adjustable helm with enhanced ergonomics, where you'll feel the power of the triple Yamaha® 425 XTO engines and effortless maneuverability designed to enhance your fishing prowess while indulging your senses. It even has an optional fishing package that includes upgrades such as a secondary livewell.

Guests will vie for a spot on the multi-function forward lounge seating or set their sights on the amazing views provided by the hull side and cabin side windows. Step aboard and gain a whole new perspective on what life on the water can look and feel like.
