Summary/Description

For Sale

The Jeanneau Sun Kiss 47 is a proven bluewater large volume cruiser with a layout ideal for family boating or live aboard. Its lateral beaming of the coachroof and double series horizontal port lights gives it an airy but solid traditional feel to the interior. This 1989 example was one of the last in the final year of construction, but benefits from a recent repower. The owner is motivated to sell and the price has just been reduced.
