## Summary/Description

### For Sale

The Maple Leaf 60 is a long distance luxury blue water cruiser built in Canada to solid construction methods. Below is very spacious with living room size and style saloon, with an all important master suite and wheel house. The owner has carried out a good number of recent upgrades including exterior varnishing in March 2023. The current owner has cruised from the East Coast of the United States through to the Caribbean, however plans have changed and the boat is now for sale. All exterior woodwork varnishing in progress March 2023 These boat details are subject to contract. Note: Offers on the asking price may be considered.
