## Summary/Description

### For Sale

These boat details are subject to contract. Note: Offers on the asking price may be considered. The Lagoon 450 F hits a sweet spot in terms of size. It is perfect for a family, a couple with guests or a large group of friends, but is still small enough to sail and maintain without a professional captain. This Lagoon 450 F offers 4 cabins and 4 electric heads, 2 bow cabins and a convertible salon table for 8 guests comfortably, but up to 12 guests total. The Lagoon 450 F has oodles of deck space, one of the reasons these cats are so popular for chartering. It has comfortable seating all around and could easily accommodate a big dockside party. For those who feel lazy, there's even a large reclining lounge where you could nap or daydream underway. An inside passage between the cockpit and the flybridge, puts the sailing area in better communication with the passenger area. The two spaces are still distinct, a conscious decision by the builder. This is an ex-charter vessel
