## Summary/Description

### For Sale

These boat details are subject to contract. Note: Offers on the asking price may be considered. The Oceanis 35.1 combines performance and comfort at sea. The Oceanis 35.1 interiors have been rethought and their exteriors redesigned, delivering significant developments. The Oceanis 35.1 stands for comfort and good balance under sail, making a particularly noteworthy entry into the market for this size of boat. With twin rudders, a mast positioned further aft and optimized sail plans, the hulls delivers excellent performance and offers incredible stability underway. For the Italian design team, the challenge was to multiply the living space in the saloon and offer greater privacy in the owner cabin, while maintaining the visual perspective that her opening to the bow offered in previous versions. The new L-shaped galley makes a facing seat salon arrangement possible. The space has been well optimized to allow eight people to sit around the table. This is an ex-charter vessel
