Summary/Description

For Sale

The Lagoon 450F needs no introduction. The layout on deck and below has meant this boat has sold in larger numbers privately and to charter companies. This example is the owner's version giving full luxury quarters in one hull and large heads / shower area. The previous and present owners have taken good care of the 450F, plus it has had many upgrades over the last 2 years including lithium, charging systems, hard top, trampolines, cushions and much more. These boat details are subject to contract. Note: Offers on the asking price may be considered.
