Summary/Description

This boat has always been lift kept and is in great condition.

Accepting All Reasonable Offer. One Owner.

Easy to see. All systems working!

This boat has always been lift kept and is in great condition.

The 330 Signature is a large power boat built by Chaparral and typically used for day-to-day and overnight cruising. It features an array of innovative, user friendly features that make it a comfortable and sporty family cruiser.

The cabin on this boat is very spacious with lots of overhead space and climate control / a/c. The overhead lights and triple overhead hatches bring gleam to the shiny natural wood tables and sparkle to the corian counter tops throughout. The forward dinette area can be converted to a bed with curtains on a slide track to close the area for privacy. The full galley features a stainless steel sink, stove top, microwave oven, freezer/fridge, and lots of cabinet and draw space. The aft stateroom provides the perfect place to relax with its own wash area with a sink and cabinets. The full head is equipped with a stainless steel sink, shower, and vacuum flush system.

Up at the helm, this boat features dual helm seating that can be folded up to either sit or stand while driving. The gauges, switches, controls, Garmin display, and VHF radio are nicely displayed and within easy reach.

The aft lounge area has bench seating on both sides with a wet bar for entertaining guests.

The large swim platform features a retractable stainless steel ladder and shower head with hot/cold fresh water for rinsing.

Down in the engine room, this boat has twin Mercury, MerCruiser 496 MAG gas engines producing 750hp total. Electrical power while underway is provided by a Kohler Power Systems generator.
