Summary/Description

2014 Cobia 296 Center Console - Outfitted for offshore fishing and powered by twin Yamaha F300 outboards. Spacious 10' beam adds stability; Cobia 296 delivers a great ride! Call NOW - don't wait!

The 296 Center Console is hands down one of the best riding boats in her class. Powered by the sought-after Yamaha F300's, makes this package very desirable. The 296 also boasts a 10' beam, large in-deck macerated fish boxes, dual live wells, a tackle station and a large fiberglass T-Top. The helm is outfitted with a suite of Garmin electronics, equipped with an autopilot, windlass, Fusion sound system, and Yamaha engine management gauges. The engines have recently been serviced and are ready for the next adventure with her new owner.

Manufacturer Provided Description

The Cobia 296 CC is designed big to handle any conditions Mother Nature throws its way. It also fishes big with twin 28 gallon live wells and a cavernous cockpit with flip down aft seating and two in-deck 64" macerated fish boxes. All the lures, leaders and terminal gear you own will fit neatly into the tackle organizers in the leaning post and console and your dead baits will be kept fresh and ready for rigging in the two insulated boxes in the tackle station.

All deck hardware and the bow rail are recessed and the deck is level from stem to stern for 360 degree fish fighting maneuverability. Integrated into the console and leaning post, the metalwork of the optional hard top carries the clean lines and stylish looks of the deck upward to a two-tone top with molded-in pods for speakers, three-hued LED lighting and spreader lights. Comfort features include soft and elegantly appointed upholstery on seating for 11 and a full step-down console with forward access.
