Summary/Description

The Fjord 41 XP is a luxurious and versatile yacht that offers exceptional performance and comfort. With a length of 41 feet and a beam of over 13 feet, this yacht provides ample space for entertaining guests and accommodating family and friends.

The Fjord 41 XP is a luxurious and versatile yacht that offers exceptional performance and comfort. With a length of 41 feet and a beam of over 13 feet, this yacht provides ample space for entertaining guests and accommodating family and friends.

The exterior features a sleek and modern design with angular lines and large windows that provide excellent views. The cockpit area is spacious and features a comfortable seating area and a large sunbed. The flybridge offers additional seating and excellent views while underway.

Inside, the salon is tastefully appointed with high-quality finishes, luxurious furnishings, and large windows that provide excellent views. The galley is fully equipped with a refrigerator, stove, microwave, and plenty of counter space for preparing meals.

The Fjord 41 XP features two staterooms, including a master suite with a queen-sized bed, an ensuite head, and a separate shower. The guest cabin offers twin berths and a shared head.

Powered by twin 600 HP V12 Mercury Verado engines, the Fjord 41 XP offers exceptional performance and speed, with a top speed of around 45 knots. The yacht also features a joystick control system that makes docking and maneuvering in tight spaces a breeze.

Overall, the Fjord 41 XP is a well-designed and beautifully crafted yacht that offers exceptional comfort, performance, and versatility. It is an ideal choice for those seeking a luxurious and versatile yacht for family cruising or entertaining guests.
