Once ahead, always ahead. The FJORD 38 Open takes the fascination of floating sport cabriolets to new heights with confidence. Design innovations like the glass bridge instruments underline the coolness level of this high-performance day boat. The sophisticated front window gives the exterior an extra touch of glamour. Moreover, the driving comfort sets new standards. The sporty helm seat keeps your body in balance, even at high speeds. The T-top, an iconic style feature of yacht construction has been massively extended and offers the most sunshade of a yacht in this class thanks to the electric Bimini top. And the interior confirms this exceptional status even further. The unique composition of materials is the newest standard, both in terms of its aesthetics and haptics. The FJORD 38 Open does not break rules, it establishes them.
