Summary/Description

The RYCK 280 is a 28-foot walkaround powerboat built by HanseYachts. It's known for its sporty design, comfortable cruising, and weekender capabilities. With a length of 28 feet & a beam of over 9 feet, the RYCK 280 offers a spacious cockpit, making it ideal for day trips with family and friends.

The RYCK 280 is a 28-foot walkaround powerboat built by HanseYachts. It's known for its sporty design, comfortable cruising, and weekender capabilities.

Here's a closer look at its features:

Size and Capacity: With a length of 28 feet and a beam of over 9 feet, the RYCK 280 offers a spacious cockpit, making it ideal for day trips with family and friends.

Performance: The RYCK 280 is equipped with a single Mercury Verado V-10 350 hp engine, allowing for a top speed of over 40 knots and a cruising speed in the 30s.

Awards and Recognition: The RYCK 280 has won several awards including the "Boat of the Year" award in the category "Elegance" in 2021, "Best for Beginners" award in 2022, and was a finalist for the 2023 Motor Boat Awards in the category "Weekenders".

Weekend Ready: The RYCK 280 features a raised foredeck that creates a usable space for lounging or sleeping, making it suitable for short getaways.

Towable: The RYCK 280 is also towable, which means you can bring it with you to your favorite boating destinations.

Overall, the RYCK 280 is a versatile boat that offers performance, comfort, and weekender functionality for those who enjoy day cruising and short getaways on the water.
