Model Year: 1992
LOA: 35' 7" (10.85m)
Cabins: 2
Double Berths: 2
Heads: 1

Fuel Type: Diesel
Hull Material: Fiberglass
Hull Shape: Monohull

HIN/IMO: BEYYA034E292

Engines/Generators

Summary/Description

This Beneteau Oceanis 370, Tactful, has been well maintained; her two cabins, one head with separate shower and pristine interior woodwork are shining examples of Beneteau's enduring quality.

Tactful's cockpit is spacious and comfortable. Her furling mainsail and genoa lines are lead aft for easy single-handed sailing. The standing rigging has been replaced, air conditioning added, she is ready to sail - all systems go!

As you come down the companionway into a warm and spacious main salon, the practical use of space becomes apparent. On the port side is an aft cabin and nav station; moving forward the galley runs along the port side up to the bulkhead. In the bow is the owner's cabin with storage lockers to port and starboard and a comfy double V berth. On the starboard side is the dining table and settee; the large head and separate shower compartment are situated aft of the settee to starboard of the companionway. Port aft is a nice size chart table and a large aft stateroom. Refinished cabin sole with 6' headroom.

Galley

- Three burner Eno Propane stove with oven
- Isotherm 12v refrigeration
- Double stainless sink with foot pump
- Hot and cold water (hot water run from motor, electrical element not connected)

Deck

- Functional layout, control lines led aft to the cockpit for easy sail handling
- Genoa furler drum mounted flush with the deck
- Sugar scoop transom with transom door, swim platform and swim ladder
- Manual windlass
- Original gel coat in good condition (one dark spot in nonskid stbd deck amidships)
