## Summary/Description

This well-kept 2019 36 Cape Horn XS is turn-key and ready for its next owner.

This well-kept 2019 36 Cape Horn XS is turn-key and ready for its next owner. The flared hull and trip 300 Yamaha engines with warranty until May 2025, allow her to flex her smooth ride and speed through any sea. She is a two-owner boat that has been shown love by her owners. She just got done with wet sand, wax, and detail on the hull (12/23). This boat can do it all, whether it is running out to the fishing grounds, going on sunset cruises with seating for more than 12 passengers, or having a sound system that will turn heads pulling up to the sandbar. The 36 Cape Horn is perfect for those boaters who want to be able to use their boat in multiple different facets.

Up forward, she offers multiple storage lockers for lines, fenders, and hoses, along with a Lewmar Windlass anchor system. She also has forward seating and Fusion speakers (4) that allow for great entertainment and comfort. It also includes forward console foldable seating for two. The helm boasts an impressive triple Garmin display, Seastar Optimus Joystick controls, and autopilot, along with an easy-to-navigate electronic layout for other systems. The hardtop includes a FLIR night vision camera, Fusion speakers (6), and a lightbar. The cockpit is very fishable, and it includes live wells (2), tackle drawers, and fish boxes as well. She is powered by trip 300 Yamahas that can get her up to 48 kn.

### Key Features/Upgrades:

- Triple 300 Yamaha engines with 500 hours with warranty until May 2025
- Custom freshwater washdown plug in located in the cockpit
- Lewmar Bow Thruster
- Fusion Sound System
- Fusion Speakers (10)
- Fusion Amps (2)
- FLIR Nightvision
- Head/Fold out sink under the center console
- Triple Garmin Helm Display
- Seastar Optimus Auto Pilot/Joystick Control

## Manufacturer Provided Description

Whether exploring the canyons or entertaining a group the 36XS has you covered. The helm station wraps the driver and passengers in bolstered seats and provides generous drawers and compartments for all tackle/storage needs. The rear facing seat conceals a huge 60 gal. live well. An additional 20 gal. well in the transom doubles as a storage box when needed. A large, rear fold-away bench and forward lounge entertain the crew. An optional vacu-flush head can be placed in the console next to the concealed pull out stainless sink. The EPS steering allows easy upgrade to joystick control.

An oversized hardtop provides a sleek and modern design that easily accepts a second station if desired. The two large boxes above provide plenty of storage for all your gear. All will appreciate a host of lighting options, (6) flush mounted speakers and standard telescoping outriggers. A huge dash provides plenty of room for multiple large screen displays. Additional storage is discovered in the huge walk-in console. A drink cooler is offered beneath the flip up front seat that

quickly transforms into a lounge seat with a flip-up foot rest. A 9' fully insulated fish box offers 1400 quarts of frozen storage that is pumped overboard during cleanup.
