This 1992 65 Hatteras is a must-see. *Reel Party* is a super clean boat with upgrades throughout. She has just over 3500 hours on Twin Detroit Diesel 16v92TAs. She is easy to show behind a house in Lighthouse Point, FL. Dockage transferrable with purchase of the vessel.

She has a dinghy davit forward as well as new non-skid on the bow (11/23). The cockpit includes a dual fridge/freezer combo, dual livewells, a Garmin depth finder, and two Lees fighting chairs. The engine room was also cleaned and painted (11/23).

On the interior, she went through a major refit in 2015/2016. This refit included adding a spiral staircase from the salon up into the enclosed bridge without having to go outside, something that is not seen in any other 65 Hatteras on the market. Another highlight of the salon is a custom 1/1 coffee table that is built out of the spare props for the boat, which is an eye-catcher as you enter the interior. The enclosed bridge has upgraded Garmin electronics, including Garmin autopilot and twin Garmin displays. She has a 4/4 layout with a floating queen mattress in the master stateroom along with a private master head. There are two guest staterooms with their own heads and twin beds. Right before you enter the engine room, there is a crew quarters with a wet head and twin bunks.
