Summary/Description

The 34 Nomad was brought to market due to high demand from Intrepid owners for a versatile center console under 35 feet that has ample seating, seaworthiness, and fishing capabilities.

Platinum Mercury Engine Warranty through 06/01/2031.

The 34 Nomad was brought to market due to high demand from Intrepid owners for a versatile center console under 35 feet that has ample seating, seaworthiness, and fishing capabilities. The 34 Nomad makes for a great tender to a motor yacht; she has enough seating and room to entertain guests for a sunset cruise or a quick trip to the sandbar, all while still having fishing features throughout the vessel, including dual transom live wells and Garmin radar.

This 2023 34 Intrepid Nomad FE was a tender to a motor yacht and was taken care of with an open checkbook. There are 100 hours on twin V10 400 Verado MerCs with extended platinum warranty until 06/01/2031. She has the Garmin electronics package, tender towing eyes on the bow, and captain/crew maintained. She also comes with a dive door on the port side, a Vetus bow thruster, Raritan head in the console.

Located in HarbourTowne Marina dry storage, she is easy to show. This boat is a great opportunity to get a like-new boat immediately and at a used boat price.

Key Features/Upgrades:
