Kohler
Hours: 250

Summary/Description

This Chaparral is the perfect get away for a couple or a family.

With ample seating at the helm and cockpit everyone can relax together but still have a seat of there own. When its time to wind down it has sleeping capacity for two couples between the stateroom and the convertible dinette in the salon. It has been constantly updated since the owner purchased it. With only 20 hours since major over haul on both the main engines and 5 hours since major overhaul on the generator it is ready to be used for many seasons to come. This boat is turn key ready to go.

NEW SINCE 2020

- Less than a year old exterior canvas, including seats and top
- Engines removed and rebuilt in 2021
- Generator has only 5 hours since major overhaul
- Electronics updated including three Garmin touch screens at the helm, Fusion stereo, and Standard Horizon Matrix VHF
- New fire boy fire suppression
- New carpet
- New battery charger
- New hot water heater
- New batteries
- New props
- New hatch lift actuator
- New TV antenna.

WALKTHROUGH DESCRIPTION

Upon boarding at the stern you are greeted by two great seats, a U shaped seat to starboard with a table and an L shaped seat to port. Moving forward you have a fridge underneath a wet bar to port. At the helm you have a great 360 view to take in the scenery. Three new Garmin touch screens with engine integration give you all the information needed, the remote mounted VHF keeps the console clear of clutter but still gives the captain easy access to the mic. The helm chair has a flip up bluster if you like running the boat from the standing position.

The salon has a dinette to port and galley to starboard. The head is aft on the starboard side and the entry into the stateroom is to port. Even with everything this boat has to offer it feels very spacious down below. The large seating aria with a table in the bow converts into a bunk at the touch of the table down button. There is great storage almost everywhere you look. The galley is equipped with a fridge, sink, and a two burner cooktop. The head is a "wet head" with a shower bathroom combination with a vacuflush head.

The bow is easily accessed through the front folding window to get to your bow lines or to lounge on the bow.
