Summary/Description

The Sailfish 325 Dual Console is a very versatile boat that will make a day on the water a true pleasure.

The Sailfish 325 Dual Console is a very versatile boat that will make a day on the water a true pleasure. The windshield and full curtains allow use through the winter or on the rougher days. The twin 300 Yamaha's just received an additional three years of transferable Yamaha YES extended service which is good through 2/24/**2027**. The bow has ample seating and a removable table. The cockpit has fold down bench stile seating all the way around the cockpit with the bench on the port side having a mount for the second removable table. Large head on the port side. Large storage space under the starboard console. At the helm you have a large Simrad MFD, Yamaha touch screen display, Fusion MS-RA70N Stereo head unit, Lenco trim tab control, and Ultraflex power steering control. Auto Pilot is integrated into the Simrad unit. For the hot days there is a bow sunshade. Once the day is done there are covers for the bow, helm, motors, and cockpit that keep all the cushions and electronics out of the sun and weather.

Manufacturer Description

The Sailfish 325DC is the perfect follow-up to the popular Sailfish 275DC. The 325DC has luxurious bow seating, a well-equipped cockpit galley, a below deck pantry, a spacious head, comfortable captain's chairs, easy step-down rear and side entry and a full array of fishing amenities. These top-notch features make the 325DC a fantastic addition to the Sailfish lineup. From an afternoon out on the water with your family to a sunset cruise with your friends, the 325DC allows you to have family fun boat plus the versatility of a serious offshore fishing boat. The Sailfish 325DC provides the perfect platform for whatever your day on the water looks like. Packed with standard features and built using quality SailTech construction techniques, the Sailfish 325DC is the best value in the dual console marketplace.
