Summary/Description

Don't be fooled, the 27 Albemarle is a big boat.

Don't be fooled, the 27 Albemarle is a big boat. The cockpit has plenty of room to fish several guests and rod holders to troll a 9 rod spread with ease. Twin padded captains chairs at the helm and a spacious cabin down below. A sizeable head to starboard is a nice touch with vanity, mirror and sink. The head has a holding tank and pump out. The cabin has 120v outlets and a microwave. Lay out the cushions for a nap on the ride in or use it for secure tackle storage when you're away from the boat.

On the dash is 3 Garmin screens for GPS/FF/Radar. With the Garmin autopilot, those long runs become a lot easier and more efficient. There is also a VHF mounted on the dash and there is a large Radio Box above with plenty of room for an additional radio or chart plotter. The glass windshield will keep you dry and warm on those rough days.

The large cooler pictured as well as the owners tackle does not convey.
