Summary/Description

2024 Cayo 180 - Build time: 12-14 weeks

Our 180 model is a versatile skiff designed to run in any open shallow waterway while having a stable platform to pole for beachside tarpon or bonefish on the flats. A customizable platform featuring massive spray rails, and two different running surfaces to choose from. Cayo Boatworks ensures that your custom skiff will perform exactly the way you want!
