LONE STAR This classy, spacious, well-maintained, updated, and clean Pilot House Motoryacht is ready for the boating season. For twelve years the current owners have updated and upgraded LONE STAR. They spared no expense in getting the boat ready and up to their standards

LONE STAR

1994 Bayliner 4788 Pilot House Motoryacht

This classy, spacious, well-maintained, updated, and clean Pilot House Motoryacht is ready for the boating season. For twelve years the current owners have updated and upgraded **LONE STAR**. They spared no expense in getting the boat ready and up to their standards (see list below). In addition, the twin Hino's WO6D-TI 310hp each have only 1100 hours! The Westerbeke Generator in the cockpit has 550 hours.

Whether you are looking to cruise the islands (Canadian or US), Alaska, or live a board this boat has all the amenities that make it ready for your adventure. The large salon area includes two captain chairs with table, oversized L-shaped settee with newer professionally installed upholstery, VIZIO 27" Smart TV, full galley with refrigerator/freezer, trash compactor, double sink, 3-burner electric stove/oven, microwave, ice maker, and water maker. There are two full heads, two large berths, including master suite with queen centerline walk around bed, berth with bunks off the master suite, Bendix washer/drier combo, central vacuum system, and all the ground tackle to begin your adventure.
