Summary/Description

A Catalina classic, in good condition and priced to sell! A perfect starter sailboat, with enough size to be comfortable and small enough to handle comfortably for a new sailor.

The Catalina is a great sailing boat, and this is a very affordable 27 to get out on the water and let the wind take you on a ride. Currently in the water and ready for its next owner. Sloop Du Jour is easy to handle for a beginner or a single handed sailor. Great for day sailing and can accommodate overnight trips.
