Summary/Description

Explore the seas with Precision Boat Works' 18-foot sloop sailboat, known for its lightweight design and easy towing capabilities.

Precision Boat Works' 18-foot sloop sailboat offers a lightweight design perfect for towing, weighing in at only 1100 lbs. Featuring a stub keel with low draft and a swing-down centerboard, it's ideal for trailer sailing. With berths for four adults, deluxe fabric cushions, and ample storage, it's as comfortable as it is versatile. Whether you're a seasoned sailor or a beginner, this vessel offers easy handling and maneuverability, making it the perfect choice for coastal adventures.
