Summary/Description

UNTETHERED, a Horizon FD110 Skyline delivered in 2021, is the peak of yachting excellence. Where luxury meets innovation, this one-of-a-kind vessel is unmatched, bursting with customizations and upgrades.

UNTETHERED, a Horizon FD110 Skyline delivered in 2021, is the peak of yachting excellence. Where luxury meets innovation, this one-of-a-kind vessel is unmatched, bursting with customizations and upgrades. In top-of-the-line condition, she's a masterpiece that blends stylish design, lavish comfort, and exhilarating performance to offer guests various dining and relaxation areas throughout. UNTETHERED comfortably accommodates up to ten guests in five luxurious ensuite staterooms, one of which is currently set as a gym.

The warm and inviting interior opens itself to plentiful volume and headroom. Accommodations include a main-deck owner's suite with his-and-hers ensuite including private showers, along with four large staterooms on the lower deck, including a forward VIP, one stateroom that can convert into an office, and one stateroom that can convert into a gym. The main saloon has a two-foot extension for increased interior volume, the galley is customized with a country kitchen perfect for either entertaining guests or crew, plus there is a full walk-in laundry room, as well as a storage pantry room with an additional chest fridge and freezer housed on the lower deck. The upper deck is arranged with a private pilothouse forward and an enclosed sky lounge aft. Outfitted with cozy seating, a refreshment center that includes four refrigeration drawers and a wine cooler, as well as a conveniently located day head with dual access from both interior and exterior bridge level, the sky lounge is a haven for relaxation. Furthermore, the current owner has gone above and beyond, adding additional soundproofing in the sky lounge, guest cabins, galley, and engine room to ensure utmost privacy and noise cancellation while enjoying time aboard.

UNTETHERED's expansive outdoor living options include a large entertaining space on the foredeck including sofa seating with cocktail tables, a three-person jacuzzi, and adjustable sun pads forward. A completely customized boat deck is one-of-a-kind and includes formal dining for up to ten guests, with an electric awning extending out of the hard top above covering the dining area if needed, an oversized WOLF propane grill perfect for entertaining large parties, and a very unique firepit lounge seating area that is ideal for brisk New England evenings. Moving down to the aft deck there is another excellent lounge area including loose seating with ottomans, custom deep U-shaped seating with a hi-lo cocktail table, and a full-service two-level bar. A drop-down TV forward on the aft deck tops it off to enjoy some movies while lounging.

Complete with upgraded twin CAT engines and paired with a zero-speed and underway stabilization system, she provides a smooth and enjoyable cruising experience. This FD110 is also equipped with a Magnus water-cooled shore power conversion system, making her ready for world travel. The numerous and innovative customizations are what bring UNTETHERED to the spotlight, allowing you to fully indulge in vast exploration.

*The name UNTETHERED is reserved.
