Generator

Summary/Description

Pristine example of the classic 1988 Viking 45 Convertible Sportfish

SON VIDA is an excellent example of the famous 45 convertible introduced in 1987. Kept by the same owner for the last 33 years, she has been well cared for and is now looking for a new home. Both the interior and exterior are well-appointed and updated. She features a large salon, convertible dinette, two staterooms, washer & dryer, and one bathroom. Her 600-gallon fuel tank gives her extended range for longer-range cruising and those overnight trips to the canyons. Call for more details.
