Summary/Description

In Cortez, FL

This lovely 2016 44' Leopard Catamaran is built with 4 queen cabins each with private ensuite baths including electric heads, vanity, and separate showers. She's been sailing the Caribbean with a small family since 2023. Their cruising time is coming to the end with two small children aboard who are ready to live ashore.

This boat had previously been lightly used as a crewed only charter yacht. She boasts multiple areas to sit and relax or sip a cocktail and enjoy the cool island breeze, especially with her unique forward cockpit lounge that provides access to the trampolines. You can even explore beneath the surface while staying dry with its onboard clear-bottom kayak! The salon will comfortably seat up to 8 guests for lounging or dining. The exterior aft offers alfresco dining for up to 8 people.

She has solar power, a diesel generator, nice electronics, and good sails.

Shes in the process of being imported to the US and she will be available for your personal inspection in May 2024. This is a relatively new highly desirable 44' Leopard sailing Cat. Call now and make an appointment to see her. Don't let this one get away!
