Engines/Generators

Summary/Description

The Alumina sport console RIB embodies the adventurer's spirit. Thoughtfully designed to be a multipurpose boat, the Alumina offers both ample storage compartments and a spacious deck layout for carrying passengers and provisions.

This Dinghy fell off its mothership while underway and flipped over. It was quickly recovered but the motor and all equipment was compromised with salt water. The owner has replaced the engine with a new Yamaha 20 HP motor, new control box and wiring, new tachometer, new battery, new battery switch, new Yamaha fuel/water separator, new bilge pump, navigational lights, switches and wiring. All in all this is basically a brand new boat for half the price of new.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
