4JH57
Inboard
57HP
42.50KW
Fuel: Diesel
Year: 2017
Location: Starboard

Generator 1

Cummins Onan
13.50KW

Summary/Description

The Lagoon 42 is a fantastic package under 45 feet that feels like a much bigger boat when on board. Awarded Cruising World's coveted "Boat of the Year" and SAIL Magazine's "Best Boat" in the year that this boat was built, the model has remained highly sought-after in following years for good reason

"Never Say Never" is a beautiful owner's version of the Lagoon 42 that has never been chartered. This layout offers a generous owner's stateroom spanning the entirety of the starboard hull as well as two private guest cabins with heads. Her spacious cockpit with a full enclosure and bright salon provide abundant space to relax, dine, or entertain no matter the weather. A full helm station enclosure ensures comfort whilst sailing and maneuvering in any conditions.

Recent upgrades include the addition of a suite of B&G electronics, 700 watts of solar power, a Spectra watermaker, and washer/dryer unit.

Two electric winches are conveniently located at the helm station alongside the majority of sail controls, rendering the boat easily managed short or single-handed.

Accommodations

A bright, modern interior greets you upon entering "Never Say Never"'s salon via her sliding glass doors. A u-shaped galley is immediately to starboard, navigation station forward of the galley, and refrigeration & storage to port of the dinette. A generous L-shaped settee may be converted into an additional berth. The smaller dinette table allows ease of movement about the salon, while an additional, larger salon table offers the option for dining with & entertaining guests. Large window offer panoramic views from the salon, while the sliding doors, cabin fans, and two opening portlights forward provide options for ventilation.

The owner's cabin is located down four steps to starboard, and spans the length of the entire starboard hull. Aft are a generous centerline queen berth and storage drawers, shelves, and closets. Forward, you'll find a dedicated shower stall, electric Jabsco head, sink, and vanity. To port are two guest cabins and two heads. Each guest stateroom features generous storage and ventilation via opening hatches, portlights, & fans.
