Summary/Description

Homeward Bound is a one-of-a-kind Bruce Roberts design. Her spacious cockpit and voluminous living quarters render her a wonderful platform for full-time cruising and living aboard. Her sail plan allows for flexibility in varying conditions, while her hull design assures her crew comfortability.

"Homeward Bound" was lovingly built by an engineer.

Accommodations

Plentiful headroom and comfortable living quarters greet you at the bottom of "Homeward Bound"'s companionway steps.

A traditional navigation station is immediately to starboard with a u-shaped galley forward. Aft and to port is the spacious aft stateroom with a full-sized bed and storage drawers.

The head is forward of the aft stateroom and features a sink, manual head, and dedicated shower stall.

Moving forward, the salon is comprised of two swiveling seats to port and a large u-shaped settee/dinette to starboard.

Forward-most is the second stateroom with a full sized bed to starboard and bench to port.

Octopus carving excluded from sale
