- **Transferrable Slip**
- **And much more!!!**

Excellent opportunity for a classic blue water cruiser in nearly ready to go condition. Well built Cheoy Lee Ray Richards design offers good sailing performance, safety and berths for 4. Set up to be converted to a ketch rig if desired. The original teak decks have been removed and replaced with a faux teak system that mimics the look and traction of the original concept. The original mast was replaced with an aluminum mast and updated standing rigging.

This boat has a true modern offshore hull shape with a shoal draft modified full keel and skeg protected rudder. This results in a seakindly motion without sacrifice of sailing performance.

The refurbished interior is in remarkably good condition. Recent additions include SS ports, new settee cushions, air conditioner, newer standing rigging, refrigeration, instant on water heater, chartplotter, battery charger, house and start batteries, manual head and hoses, pressure water pump and hoses, and JBL stereo system.

Call now to arrange for a private showing in Venice, FL.
