Summary/Description

The StellarONE ST108, a long range, steel/aluminum, raised pilothouse motoryacht. Built as standard to Lloyds Hull Construction Certified +100A1 SSC, Yacht, Mono, G6 and can be built to full society and commercial classifications according to customer wishes.

STELLARPM'S ALL-METAL SUPERYACHT SERIES

Superior Safety • Superior Strength • Superior Performance • Superior Quality

Elegant, contemporary, raised pilothouse models in steel-hulled full displacement or aluminium-hulled semi-displacement versions offering sleek, low-profile styling combined with voluminous multi-flexible interior layouts and equipment levels second to none.

"These are amazing superyacht projects that will really wake-up the market. What sub-\$10m yacht of this size gives Lloyd's certified all-metal construction, Northern European superyacht quality engineering and finish, teak decks all-round, Tier III CAT C18 engines, an on-deck master with its own foldout balcony, a beach club and tender garage and so much more. The StellarONE series' equipment, engineering, build, and quality levels are set to be a gamechanger for the market and we will deliver to our customer a truly superb fully customized vessel"- Chris Holmes, Founder & Executive Director, StellarPM, Inc
