Summary/Description

The AL2002 is the entry model of StellarPM's StellarCAT series of all-aluminum power catamarans. With a spacious interior volume of 130GT the AL2002 can be configured with an up to 6 stateroom layout with different internal arrangement options providing layouts for a variety of family sizes

STELLARCAT ALL-METAL POWER CATAMARANS

Superior Safety • Superior Strength • Superior Performance • Superior Quality

The StellarCAT AL2002 is a modern, striking full-aluminium power catamaran that offers immense interior and deck areas, confidence-inspiring at-sea comfort and performance, and speeds and range options that will satisfy all.

Equally at home as a stylish pleasure cruiser on the Côte d'Azur or an adventurer exploring more remote regions. Ownership comes with the reassurance of the StellarCARE warranty and peace of mind package designed for product reliability, brand reputation, residual value, and repeat custom.

Exceptional yachts built with superior materials. Manufactured with the highest marine grade aluminium available.

StellarCATs offer exceptional levels of interior comfort and class-beating, no-compromise seaworthiness
