Summary/Description

2020 Cape Horn 270S

2020 Cape Horn 270S

Extra Room - Unsinkable - Dry

This modern hull design has the angler in mind from the start. The deep V design is one of the driest, softest riding around. It keeps you dry even in the toughest conditions.

Layout

Center console configuration with an open bow, bench seats in front of the console, optional twin bolster seats at the helm and a fold down stern seat.

- Electric windlass and a Garmin Chart Plotter/GPS
- There is ample room for fishing as well as having weekend fun
- There is a 42 gallon live bait well just aft of the helm seats
- Three new batteries in 2023 - one house and one for each engine
- JL Audio stereo system with Sub
- Underwater lights

Broker's Comments

This One-Owner Cape Horn 27 was designed to be a safe, stable and fast platform for many types of offshore fishing and general pleasure cruising. At almost 28' in length with a very high bow this boat feels like a boat 30' or larger. The high bow will hold back any 10- to 12-footer from coming over. The 27 features a very large insulated fish box and a 42 gallon round live well that will keep the most delicate baits alive. The factory T-Top has a unique feature along with our electronics box in that it all ties into the windshield to form a wind/spray shield.

The engines only have 77 hours (as of January 2024) and the 100-hour service was recently completed.

She comes with a dual axel "Cape Horn - Tilt" trailer built specifically for this boat - she has never seen bottom pain or been stored in water. Beautiful condition. Owner would like something a little smaller for their intended use.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
