Summary/Description

2004 Azimut 47

Located in Miami, Florida, 2004 48' Azimut Flybridge yacht, equipped with the favorable Caterpillar engines and Kohler generator, ready for a new owner. With powerful twin diesel engines, it ensures smooth cruising along the coast. The spacious flybridge and luxurious accommodations make it perfect for entertaining or overnight stays. The motivated seller is eager to make a deal, so don't miss out on this opportunity to experience luxury yachting in style. Please call the phone number below to schedule your showing.

Manufacturer Provided Description

The new model, developed and constructed in the Avigliana shipyards, is unveiled at the Genoa International Boat Show 2006. The new 47' is the latest stylistic development from Stefano Righini for the Azimut Fly Bridge range, with its characteristic superstructure windows, the skillful harmony of its dimensions and muscles and the overall dynamism that gives the impression of movement even when still. The same elegance characterizes the interior: Carlo Galeazzi has developed a formal linear and modern architectural style with sophisticated details and high quality materials. The generous volume of the hull and the innovative layout inside guarantees guests aboard the 47' an unrivaled level of comfort that is not just limited to the living space. At 14,46 metres long, the Azimut 47 has a beam of 4,52 metres and two 575 mHp CAT C9 engines that can deliver a top speed of 31 knots.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
