Summary/Description

The neo-classical aluminum motor yacht Acico 74 is a true masterpiece of design, created by ABD Architects and Olivier F. van Meer Design. Carefully constructed to meet the desires of an astute client seeking the ultimate experience, this yacht seamlessly combines long range cruising and comfort.

Acico 74 is a true masterpiece of design

The neo-classical aluminum motor yacht Acico 74 is a true masterpiece of design, created by ABD Architects and Olivier F. van Meer Design. Carefully constructed to meet the desires of an astute client seeking the ultimate experience, this yacht seamlessly combines long range cruising, comfort and style. She is the epitome of a perfect family vessel with the added ability to reach higher speeds of up to 20 knots.

The Dutch Acico 74 has a timeless silhouette and displays impeccable refinement of forms that exude strength and reliability. When you step aboard, you'll discover a bespoke, light-filled interior that seamlessly blends modern and minimalist styles. Each space has been carefully selected to create an oasis of calm and serenity.

The connection between the deck salon and the open aft deck is flawlessly integrated, providing an uninterrupted flow that allows you to fully immerse yourself in the breathtaking scenery. An ideal place to enjoy the beauty of the surroundings.

Experience the unparalleled elegance and performance of the Acico 74, this motor yacht is ready for new adventures and ensures that every moment on board is filled with luxury and joy.

With this yacht, you will shine among the others and reveal your individuality that matches the exceptional nature of this remarkable vessel.

A place in the marina has been booked for one year and is included in the price.

Antifouling has been performed every year. The last engine maintenance was in 2023.

All invoices and certificates are on board.
