## Engines/Generators

### Engine 1

Volvo

Penta

750HP

559.27KW

### Engine 2

Volvo

Penta

750HP

559.27KW

## Summary/Description

Designed by Camilo and Vittorio Garroni, the Jeanneau NC14 is an impeccably maintained masterpiece. With its elegant, modern design, this vessel offers an unparalleled living experience.

The dining area, kitchen and open living room are both inviting and functional.

In July 2021, the NC14 underwent a full engine check-up and hull and sizing cleaning. To further protect the vessel, Antifouling International and Antifouling Spray were applied. The sleeping areas of the NC14 are also remarkable, with plenty of space in the cabins, bathroom, shower and dressing room.

If you are looking for a vessel that offers luxury, comfort and peace of mind, the NC14 is the perfect choice. Don't miss this chance to own an almost new ship!
