Location: Port

## Summary/Description

The boat was hardly used or fished and shows in mint condition. She is kept on a lift in Tampa, Florida behind the owner's home. This is a heavy, solid boat.

## Manufacturer Description

Century has been building luxury runabout and fishing boats since 1926. In that time, they have had many innovations in the boat industry, including fiberglass construction. Although they were not the first to fiberglass, they were amongst the best to bring the traditions of wood lines to it.

Now Century brings to you the 3200 CC, a modern-day sport fishing boat designed for the serious offshore angler but without forgetting the needs of the family boater.

For fishermen, it's got a wide cockpit with plenty of deck space thanks to its generous 10'6" beam. Innovative tackle storage features include a pullout cooler for drinks or bait and tilt-out cabinets for gunwale utility boxes. This boat has features upon features that'll satisfy the serious fishing enthusiast and their whole crew.
