Summary/Description

The Flyer 9 SPACEdeck is not just practical and ergonomic; it's impressively versatile, meeting the needs of boating enthusiasts for activities like sunbathing, fishing, water sports with friends, or enjoying a meal with family.

Functional and ergonomic, the Flyer 9 SPACEdeck displays impressive modularity, fulfilling the expectations of anyone who enjoys boating, whether it's for sunbathing, water sports with friends, sharing a meal with family, or fishing. With a large unobstructed area on the deck, high gunnels, and an opening side platform to enlarge the cockpit, the sporty Flyer 9 SPACEdeck is perfect for all nautical adventures. An additional seat option at the bow creates a very comfortable front lounge area and can be converted into a large sunpad. A large hard top is also available, which provides ample shade and several rod holders.

The cabin reserves its share of unexpected comfort features on an open hull. The interior space is surprisingly large and includes two berths, equipped with a head.
